Ousmane Sembene and the Politics of Culture examines the works of one of Africa's most influential writers and filmmakers within the context of his career-long preoccupation with the production of culture. Contributors to the collection foreground Sembene's fixation on the centrality of culture in the articulation of the discourse of national consciousness, and re-evaluate his intellectual and artistic legacy within an overarching framework of African liberation.

This collection of essays focuses on the intersection of culture and politics in the work of noted Senegalese writer and filmmaker Ousmane Sembene (1923-2007). As pointed out in the essays and confirmed in the interviews that close the collection, Sembene rejected 'art for art's sake' in favor of a body of work highly engaged with the cultural, political, and economic concerns newly independent Africa faced.
